

This list is only to be used in the event that the Governing Board grants the appeal related to Reserve at Woodland Heights (#24178)

**Texas Department of Housing and Community Affairs
2024 Competitive (9%) Housing Tax Credit ("HTC") Program
Contingent Award List**

The list of recommended awards is organized by region and subregion. Applicants selecting the At-Risk/USDA Set-Asides are listed first and are organized by final score rather than by region. Detailed information about each Application and instructions regarding how to interpret the information presented here is included in previously posted logs on the Department's website. This list includes allocations of supplemental housing tax credits as well as forward commitments made during calendar year 2023- these are not considered part of the award list, but are presented to comprehensively account for the credits available in each sub-region. **Please note that this list of Award Recommendations is only applicable if the appeal related to Application #24178, The Reserve at Woodland Heights, is granted by the Department's Governing Board at the meeting to be held on July 25, 2024.**
