CONDITIONS

- Receipt and acceptance by Cost Certification:
- a: Architect certification that a noise assessment was completed, and that all recommendations were implemented and the Development is compliant with HUD noise guidelines.
- b: A revised site plan that provides sufficient free parking consistent with the local code and the QAP.

Should any terms of the proposed capital structure change or if there are material changes to the overall development plan or costs, the analysis must be re-evaluated and adjustment to the credit allocation and/or terms of other TDHCA funds may be warranted.

DEVELOPMENT SUMMARY

This Application is for the new construction of 113 units of housing for elderly households. The Development will be one three-story elevator-served building that will contain residential units and common area and also include an interior courtyard. The site will have vehicular access to Bus Hwy 83 that is part of the site and an access easement that connects to Bryan Rd.
