I am in receipt of my 2024 Underwriting Report Notice and have reviewed the Appeal Policy at 10TAC Chapter 11. I recognize that should I choose to file an appeal, I must file a formal appeal to the Executive Director within seven days from the date this Notice was issued and the Underwriting report was posted to the Department's website. I understand that my appeal documentation must identify my specific grounds for appeal.

- ☐ No appeal to the recommendations of the Department's underwriting report as published on the Department's website.

Email form to the report Underwriter: Jeffrey.Price@tdhca.texas.gov

- ☒ Appeal to the Executive Director.

Email form to REA Director Jeanna.Adams@tdhca.texas.gov

If my appeal is denied by the Executive Director:

- ☐ Appeal to the Board of Directors and request that the appeal is added to the next available Board of Directors' meeting agenda. I understand that my Board appeal documentation must still be submitted by 5:00 p.m., seven days prior to the next board meeting or three days prior if the Executive Director has not responded to my appeal in order to be included in the board book. I understand that if no documentation is submitted, the appeal documentation submitted to the Executive Director will be utilized.
- ☒ Wait to hear the Executive Director's response before deciding whether to appeal to the Board of Directors or not.
