

TEXAS DEPARTMENT OF HOUSING AND COMMUNITY AFFAIRS

TDHCA Quarterly Status Report on Temporary Allocations – June 2026

This report reflects one-time or temporary federally awarded allocations of funds, including those focused specifically on the Department’s COVID-19 pandemic response. Programs previously funded, but now closed¹, are now reflected only in this front page grand total, but are no longer summarized in the following pages. As of June 2026, the Texas Rent Relief, Housing Stability Services and Homeowner Assistance Fund programs have been removed from the detailed report pages but are still included in the totals. These three programs are completed; however, some staff from those areas within the Department remain while audits, desk reviews and final close-out with federal oversight bodies occurs. Only programs that remain actively open are reflected in the following pages. The totals on this page exclude funds that TDHCA already had in house that were then reprogrammed in the initial months of the pandemic.²
