(a) Need for Housing Development.

(i) that the Development is necessary to provide needed decent, safe, and sanitary housing at rentals or prices that individuals or families of low, very low and extremely low income or families of moderate income can afford,

(ii) that the financing of the Development is a public purpose and will provide a public benefit, and

(iii) that the Development will be undertaken within the authority granted by the Act to the housing finance division and the Borrower.

(b) Findings with Respect to the Borrower.

(i) that the Borrower, by operating the Development in accordance with the requirements of the Borrower Loan Agreement, the Regulatory Agreement and the Tax Exemption Agreement, will supply well-planned and well-designed housing for individuals or families of low, very low or extremely low income or families of moderate income,

(ii) that the Borrower is financially responsible, and

(iii) that the Borrower is not, and will not enter into a contract for the Development with, a housing developer that (A) is on the Department's debarred list, including any parts of that list that are derived from the debarred list of the United States Department of Housing and Urban Development; (B) breached a contract with a public agency; or (C) misrepresented to a subcontractor the extent to which the developer has benefited from contracts or financial assistance that has been awarded by a public agency, including the scope of the developer's participation in contracts with the agency and the amount of financial assistance awarded to the developer by the Department.

(c) Public Purpose and Benefits.

(i) that the Borrower has agreed to operate the Development in accordance with the Borrower Loan Agreement, the Regulatory Agreement and the Tax Exemption Agreement, which require, among other things, that the Development be occupied by individuals and families of low, very low and extremely low income and families of moderate income, and

(ii) that the issuance of the Governmental Note in connection with the financing of the Development is undertaken within the authority conferred by the Act and will accomplish a valid public purpose and will provide a public benefit by assisting individuals and families of low, very low and extremely low income and families of moderate income in the State to obtain decent, safe, and sanitary housing by financing costs of the Development, thereby helping to maintain a fully adequate supply of sanitary and safe dwelling accommodations at rents that such individuals and families can afford.

Section 3.2 Determination of Eligible Tenants. That the Board has determined, to the extent permitted by law and after consideration of such evidence and factors as it deems relevant, the findings of the staff of the Department, the laws applicable to the Department and the provisions of the Act, that eligible tenants for the Development shall be (1) individuals and families of low, very low and extremely low income, (2) persons with special needs, and

(3) families of moderate income, with the income limits as set forth in the Tax Exemption Agreement and the Regulatory Agreement.

Section 3.3 Sufficiency of Loan Interest Rate. That, in accordance with Section 2306.226 of the Act, the Board hereby finds and determines that the interest rate on the Loan established pursuant to the Borrower Loan Agreement will produce the amounts required, together with other available funds, to pay for the Department's costs of operation with respect to the Governmental Note and the Development and enable the Department to meet its covenants with and responsibilities to the holders of the Governmental Note.

Section 3.4 No Gain Allowed. That, in accordance with Section 2306.498 of the Act, no member of the Board or employee of the Department may purchase the Governmental Note in the secondary open market for municipal securities.
