### TDHCA One-Time or Temporary Allocations – Pandemic Response and Other Initiatives Report for April 11, 2024

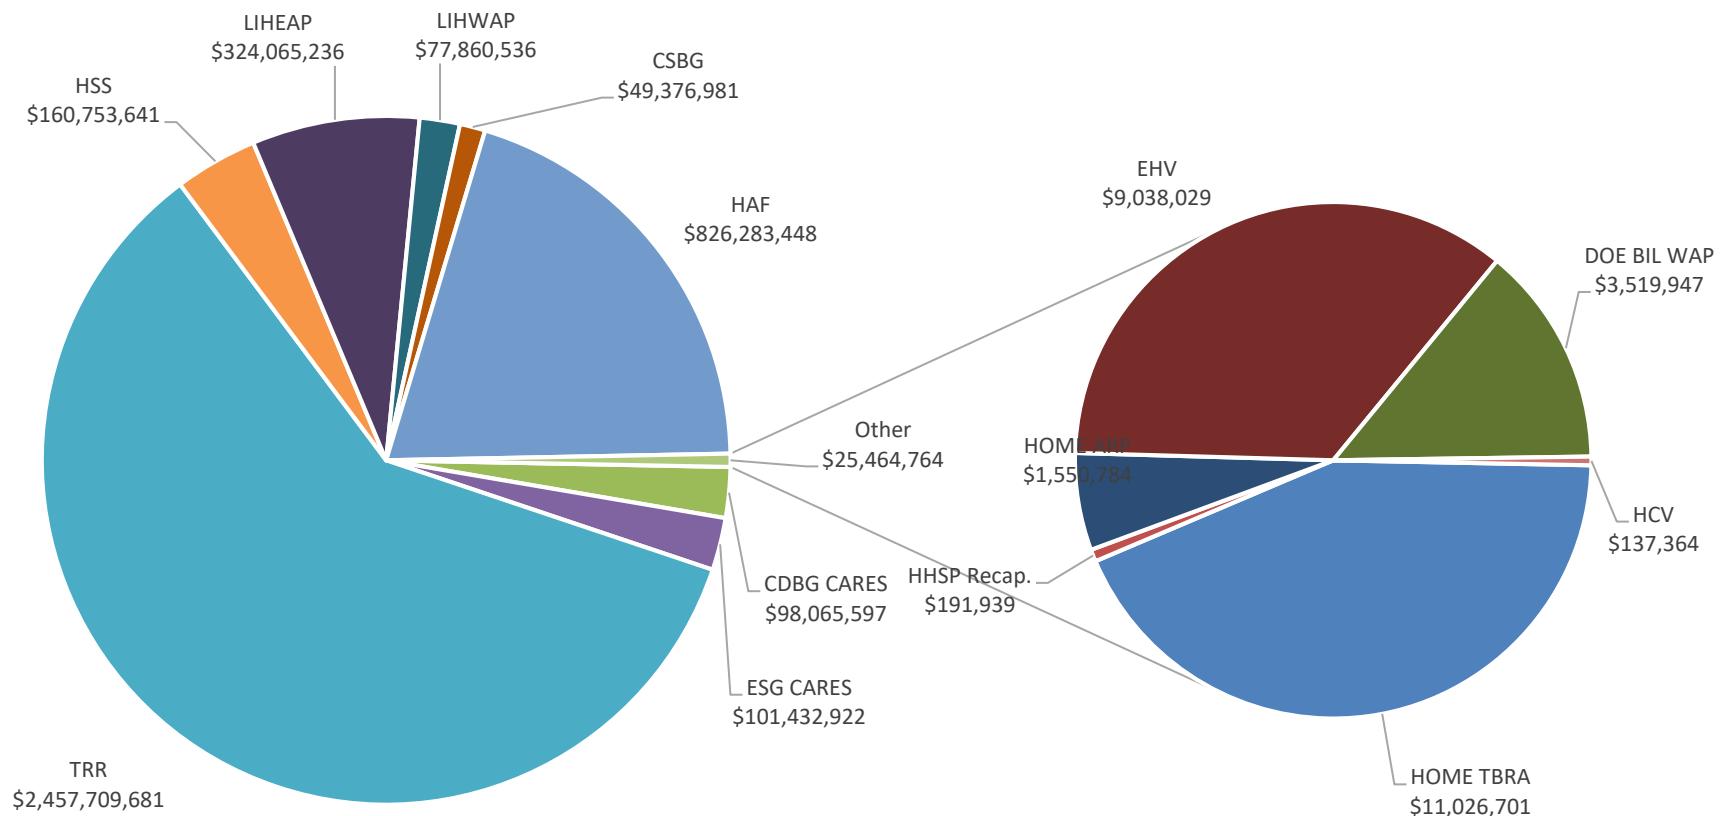

This report reflects one-time or temporary federally awarded allocations of funds, in addition to those funds focused specifically on the programs TDHCA has targeted to assist with Texas' response to COVID-19. Programs reflected include those that were reprogramming of existing funds and those awarded through the administration of federal bills. All completed programs are reported at the end of the report. Note that in January 2024, the column headed 'Waivers and Initial Approvals Needed' was removed from this report.

#### PERFORMANCE TO DATE ACROSS ALL OPEN AND CLOSED PROGRAMS

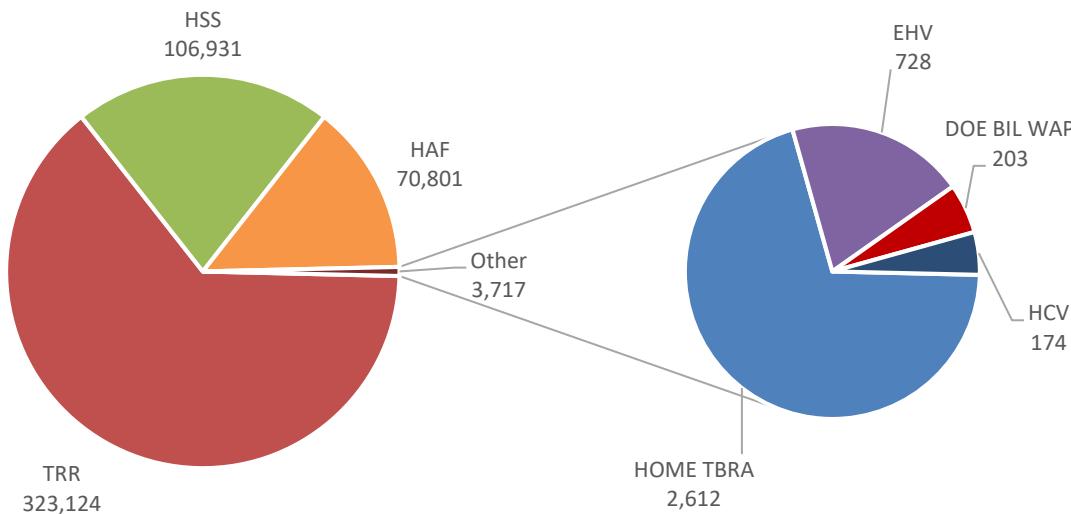

Cumulative Performance to Date Across All Programs Reported			
Total of All Funding	Total Funds Obligated <sup>1,2</sup>	Total Funds Spent <sup>1</sup>	Total Served to Date <sup>3,4,5,6</sup>
\$4,620,927,150	\$4,371,705,941 (94.61%)	\$4,121,012,806 (89%)	504,573 households 4,637,754 persons 270 units committed

1. May include administrative funds obligated and expended. 2. For TRR and HAF, funds are only considered 'Obligated' when they are expended. 3. Based on reporting requirements, some programs report households and some report persons. Persons reported above do not comprise the members of the households reported, but are separate persons assisted. 4. For comparability purposes, if the average Texas household size of 2.83 is applied to the number of households served and converted to an estimate of individuals, that estimate would be 1,427,942; when combined with the 4,637,754 of individuals reported that would result in an estimated 6,065,696 individuals assisted with these programs. 5. An additional 612,382 meals have been served through the HSS Program that are not otherwise reflected in either the count of households or persons served. 6. Units committed are from either HOME-ARP or ERA Multifamily development funds.

Must expend funds by: September 30, 2026	Funds nationally to be released in annual increments of \$100 million each year for the next 5 years. These funds will be made available to each state as part of its annual LIHEAP allocation; the Department therefore will handle these as part of our annual allocation.  <i>Geography:</i> Available statewide <i>Income Eligibility:</i> 150% of poverty	On March 1, 2022, flexibilities were granted.
